

SUB: Summary Report of various events organized in Support to International Day of Persons with Disabilities, 3 December 2012, School of Physiotherapy, RKU

To support the International Day of Persons with Disabilities on 3rd December 2012, Students and faculty of School of Physiotherapy has organized several events on 2nd December 2012 with persons with disabilities.

Global Theme: “Removing barriers to create an inclusive and accessible society for all”

Around 15% of the world's population, or one billion people, live with disabilities. People are often unaware of the great number of persons living with disabilities around the world and the challenges they face.

WHO's mission is to enhance the quality of life for people with disabilities through national, regional and global efforts and to raise awareness about the magnitude and consequences.

The day aims to promote an understanding of disability issues and mobilize support for the dignity, rights and well-being of persons with disabilities. It also seeks to increase awareness of gains to be derived from the inclusion of persons with disabilities in every aspect of life.
