complex phenomenon,
reflecting the interaction between
features of a person's body and features of the society
in which he or she lives. Overcoming the difficulties
faced by people with disabilities requires interventions to
remove environmental and social barriers. According to
WHO survey over 1 Billion people globally experience
disability. The World Disability Day 3rd, Dec is an
international observance promoted by the United Nations
since 1992. Promotion of the "World Disability Day" by
educational and research institute like RK University is
the one of the national as well as social responsibility. RK
University has become a symbol to promote such kind of
activities.

✚ For celebration of World disability Day, School of
Physiotherapy, RK University organized quiz competition
at campus on 5th Dec, 2016. The event organized by Dr.
